NARRATIVE

Officer J. Kilroy #132, Lake Stevens Police

Case #: 2016-24538

Location: 717 SR 9 NE (Safeway parking lot), LKS

Incident: Hit and Run

On 12/09/16 at approximately 1959 hours, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren. I was dispatched to a collision that occurred in the Safeway parking lot at 717 SR 9 NE. Dispatch informed me that one of the vehicles involved in the collision left the scene.

Upon arrival, I spoke with Tiffany Williams. She explained that she had put her vehicle in reverse and was starting to back her vehicle (WA License # TIFFANY) out of the parking stall. She said she checked behind her and no one was there. She said as she started to back up a silver Tahoe (WA License #AZS7526) that was in the parking stall behind her started to back up quickly. She said she stopped her vehicle but the Tahoe continued backing and struck her vehicle.

Williams then said she pulled her vehicle forward, put her vehicle in park, and got out to see what damage had been caused.

Williams said the driver of the Tahoe got out of his vehicle and told her it wasn't his fault. She said she then asked him for his name, phone number, and insurance information. She then said the driver started to tell her his name then stopped and said he didn't have insurance. She said he then got back into his vehicle and left the scene.

Williams then told me the license plate number of the Tahoe. I did a computer check and found a DOL photo of the registered owner. I then showed Williams the photo and she confirmed that it was him. The registered owner of the Tahoe is Nathan Daves (01/14/80).

Williams then said there was a witness who saw the whole thing. She said the witness would talk to me after he finished shopping in Safeway.

Williams then said a female who was wearing a Safeway Apron had entered the Tahoe right before it had backed up and then left the scene.

I went into Safeway and tried to identify what employee had recently left.

I was given a name and phone number of an employee that had recently left. I called her and found out she had left the store an hour prior to the collision.

I spoke with the manager of Safeway and he did not know what other female had left around the time of the collision.

I then did a computer check on Daves and found he did not live in the city.

Initial Case ReportCase Report # **2016-00024538****NARRATIVE (continuation)**

The witness, Shawn Osborn, told me he had been parked next to the Tahoe and had seen it back quickly and hit Williams' vehicle. He said Williams' vehicle was already halfway out of the parking stall before the Tahoe started backing up.

Osborn then gave me his contact information and I added it to the call.

With the information gathered I believe I have probable cause to charge Nathan Daves with Hit and Run (RCW 46.52.020).

Officer J. Kilroy #132, Lake Stevens Police

Case #: 2016-24538

Location: 717 SR 9 NE (Safeway parking lot), LKS

Incident: Hit and Run

On 12/09/16 at approximately 1959 hours, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren. I was dispatched to a collision that occurred in the Safeway parking lot at 717 SR 9 NE. Dispatch informed me that one of the vehicles involved in the collision left the scene.

Upon arrival, I spoke with Tiffany Williams. She explained that she had put her vehicle in reverse and was starting to back her vehicle (WA License # T1FFANY) out of the parking stall. She said she checked behind her and no one was there. She said as she started to back up a silver Tahoe (WA License #AZS7526) that was in the parking stall behind her started to back up quickly. She said she stopped her vehicle but the Tahoe continued backing and struck her vehicle.

Williams then said she pulled her vehicle forward, put her vehicle in park, and got out to see what damage had been caused.

Williams said the driver of the Tahoe got out of his vehicle and told her it wasn't his fault. She said she then asked him for his name, phone number, and insurance information. She then said the driver started to tell her his name then stopped and said he didn't have insurance. She said he then got back into his vehicle and left the scene.

Williams then told me the license plate number of the Tahoe. I did a computer check and found a DOL photo of the registered owner. I then showed Williams the photo and she confirmed that it was him. The registered owner of the Tahoe is Nathan Daves (01/14/80).

Williams then said there was a witness who saw the whole thing. She said the witness would talk to me after he finished shopping in Safeway.

Williams then said a female who was wearing a Safeway Apron had entered the Tahoe right before it had backed up and then left the scene.

I went into Safeway and tried to identify what employee had recently left.

I was given a name and phone number of an employee that had recently left. I called her and found out she had left the store an hour prior to the collision.

I spoke with the manager of Safeway and he did not know what other female had left around the time of the collision.

I then did a computer check on Daves and found he did not live in the city.

The witness, Shawn Osborn, told me he had been parked next to the Tahoe and had seen it back quickly and hit Williams' vehicle. He said Williams' vehicle was already halfway out of the parking stall before the Tahoe started backing up.

Osborn then gave me his contact information and I added it to the call.

With the information gathered I believe I have probable cause to charge Nathan Daves with Hit and Run (RCW 46.52.020).
